

**The Scottish Fire Services College**  
at the centre of excellence

## Road Traffic Collision Operator

To enable delegates to gain Knowledge and Skills on Road Traffic Collision procedures.

### DESIGNED FOR

Operational Fire Service Personnel who wish to advance their Knowledge and Skills both Technically and Practically on Road Traffic Collision Operational Procedures.

### HEALTH AND SAFETY REQUIREMENTS:

Owing to the operational and physical demands of the course, delegates must:

- Be fit for full operational duties in accordance with brigade requirements.
- Attend with full fire kit, which conforms to current standards.

### AIM

To enable delegates gain knowledge and skills on Road Traffic Collision specialist equipment, techniques and procedures.

The topic areas covered will include:

- Monday – Technical sessions on: - College procedures, Hydration/Equipment Health & Safety, Warm-up Routine, Gym Input, Trauma Management and Road Traffic Collision Procedures.
- Tuesday – Technical sessions on: - Passenger Safety, Vehicle Construction, Light Goods Vehicles and Stabilisation and Glass Management.  
Practical sessions on: - Intro to the Emergency Tender and Casualty Extrication Techniques.
- Wednesday – Practical sessions on: - Stabilising Vehicles, Glass Management, Hydraulic tools and Team Approach.
- Thursday – Visiting Speaker from the Police followed by Practical sessions on Exercises 1, 2 & 3.
- Friday – Visiting Speaker from the Ambulance Service followed by a Final Exercise and an End of Course Discussion.

### LEARNING OUTCOMES

After successful completion of the course, the delegates should be able to:

- Demonstrate a high level of knowledge and Skills in the use of RTC Specialist equipment and relevant safety procedures.
- Demonstrate the practical application of the procedures and techniques laid down in the Fire Service Manuals and Relevant Fire Service Circulars for dealing with Road Traffic Collisions.

### DELIVERY MODE

The course will be delivered through a series of lectures using PowerPoint, followed by practical sessions.

### CERTIFICATION

Scottish Fire Services College certificate of attendance is awarded for successful completion of the course.

### VENUE

The Scottish Fire Services College, Main Street, Gullane, East Lothian, EH31 2HG.
